- Malaysian citizen
- Graduates with a Bachelor's degree in Accounting / Economics / Finance / Actuarial Science / Statistics / Mathematics / Information Technology / Business Administration / Human Resources / Law
- CGPA of 3.00 and above
- Active in extracurricular activities
- Proficient in English Language (verbal and written)
- Strong team player, self motivated, driven and willing to learn
- Preference will be given to graduates who are currently unemployed and with no prior working experience

PROGRAMME STRUCTURE

Structured training will be provided as follows :

- Eight (8) months of on-the-job attachment with Bursa Malaysia.
 - This opportunity will allow the graduates to learn and acquire new skills and gain industrial exposure.
- Relevant classroom training will be provided from time-to-time during the duration of the programme.
 - This will build and enhance the graduates' soft skills.

The **PROTEGE PROGRAMME** is a programme to support the Malaysian Government's initiative to create a pool of competent, well trained, knowledgeable and skilled graduates through industrial attachment that will help them to attain relevant competencies that enhance their marketability and employability.
