**The Company Secretary
(Listed Issuers/Companies)**

Dear Sir/Madam

REQUIREMENTS RELATING TO BONUS ISSUES AND SUBDIVISION

Pursuant to section 9 of the Securities Industry Act, 1983, amendments have been made to the Listing Requirements of the Bursa Malaysia Securities Bhd ("LR") and the Listing Requirements of Bursa Malaysia Securities Bhd for the MESDAQ Market ("MMLR") in relation to the criteria for bonus issues and subdivision (collectively referred to as "the Amendments"). The Amendments to the LR and MMLR are attached herewith as Appendices 1 and 2 respectively.

The Amendments have been made as part of Bursa Securities' continuous efforts to enhance our requirements and are being introduced with a view to enhancing investor protection.

Key changes

The key change is that public listed companies ("PLCs") are disallowed from undertaking a bonus issue where the PLCs' accumulated losses exceed the reserves to be capitalised for the bonus issue.

Implementation

The Amendments shall take effect immediately. In relation to bonus issues, the Amendments shall apply to all applications for listing of securities arising from bonus issues submitted to Bursa Securities on or after the date of this letter; 29 May 2006.

Additional information

A copy of Questions and Answers pertaining to the above is attached as Appendix 3, to facilitate compliance by listed issuers/companies. Please take note that the Amendments and the Questions and Answers are available for reference on the web site of Bursa Malaysia at <http://www.bursamalaysia.com>.
